

CARP CAMP SUPERHERO SONG

By: Claire Zucker

Chorus:

We are Carp Camp Superheroes and we're coming to your aid
We are driving out the silence with the tunes that we have played
We are Carp Camp Superheroes. We play high and we play low
Til to biscuits and gravy we will go

We are marching to this rhythm, and we're marching proud
But If you put us in a little room, we're really really loud
Yes we're Carp Camp Superheroes and we're here to save the day
Come and shout a mighty hip hip hurray!

Verse - plenty of room to write more verses with other superheros

Daphne finds clues, and Banjo Man annoys the creeps
Beer Man to the rescue, til the bublenator leaps
Opinionator, Somniator, Burka Avengiator
And Captain Super Slinky of course

Just listen to rhythm of the mighty metro gnome
And let wild Water Woman keep floods from our home
We are Carp Camp Superheroes and we're here to save the day
Come and shout a mighty hip hip hurray!
